

Drive Slow? Keep Right, Patrol Warns

Slow drivers who fail to keep right on multilane highways are traffic law violators, says the California Highway Patrol.

"Section 525.1 of the California Vehicle Code requires a driver who is driving slower than the normal speed of traffic to keep in the right hand lane or as near the right edge of curb as is practical," declared Patrol Commissioner B. R. Caldwell. "There would be less congestion and accidents act."

our freeways if all drivers would heed this rule.

"Frequently cars pile up behind the driver who is loafing along in the left or passing lane setting up accident potentials for every driver who endeavors to move with the normal flow of traffic," Caldwell stated. "Frequently, the slow driver who sets up the hazardous situation is not involved in the accident, nor is he aware of the consequences of his less congestion and accidents act."

PASTURE LAND
North Carolina has about one million acres of improved pasture land.

TWO GAMES REMAIN FOR GIRLS' SOFTBALL LEAGUE

Torrance Girls' Softball League has reached the home stretch now, with only two games remaining for each team.

The last week saw one upset take place when the Hotshots walloped the Esabs, 13 to 2, pushing the Esabs from a first place tie into second place tie with the Hotshots. Betty Rogers gave up only two hits in pitching the Hotshots to victory.

The second game on Tuesday between the K Kids and the Sureshots ended in a 1-1 tie, but it was then discovered the Sureshots had used two ineligible players, so the game stands as a forfeit for the K Kids.

The two games played on Thursday at Waleria were both one-sided. In the first one, the Duffers had no trouble disposing of the Hamburgers, 21 to 3. The Hamburgers seemed to have lost their spark of the previous week when they had held the K Kids to a 13 to 10 margin. The winning pitcher was Cynthia Do-haylonsod. She was helped by her teammates' 18-hit barrage, including four for four by the center fielder, Karen Clayton.

The second half of the double header was won by the Bruins over the Basebags, 17 to 1. The winning pitcher was Dot Nelson, who gave up just four hits, while being helped by some sharp fielding by her own infield. At the plate, the Bruins were led by their center fielder, Marsha Post, who got a double and a home run. Every Bruin hit safely at least once, except one.

MILK PRODUCTION
Milk production in the U. S. in 1953 amounted to 119 billion pounds, enough to provide two quarts per day for every man, woman and child in the entire country.

Bluebirds Hurdle 1st Team in Tourney

Torrance Bluebirds simply refused to let down Thursday at Will Rogers Park and went on to trample one of the five best semi-pro ball clubs in Southern California, 7-4.

Falling victim to the Bluebirds' powerful batters was Schnaer Transportation, the first of five other league winners the locals must meet and defeat if order to enter the semi-finals.

The final game between the two top Southern California semi-pro teams will be played in Wrigley Field.

Both teams at Thursday's game were pretty well evened up until the eighth. A walk base on balls and a hit batter loaded the bases. Larry Roy stepped in and slammed out a two bagger followed by Harry Theodosios who poked out a single scoring Roy.

The Bluebirds will play a leftover League game today against the Gardena Aztecas at Gardena.

Gardena Stadium Sets Grounds For International Motor Display

Designers, builders and engineers of "tomorrow's" dream automobiles, many of the backyard variety, will present their latest innovations Sept. 13-22 on the spacious grounds of Gardena Stadium, which this year is to be the scene of the 10th annual International Motor Sports Show.

Show producer John D. Howell announced today that plans to move the annual automotive exposition to the Gardena plant was decided upon due to the far greater show area afforded. The show last year was held late last December at the old Sunset Bowling alley building, and drew more than 50,000 in an abbreviated six-day run.

Howell said that he expects to easily double that attendance figure this year.

Final plans call for the erection of a huge 40,000 square foot open-end tent in which the show proper will be staged. Four spotlighted revolving turntables will feature the more prominent of the more than 100 customized autos, American and imported sports cars, championship racers and dragsters, hot rods, motorcycles and boats.

Immediately adjacent to the "Big Top" will be an outdoor Concours d'Elegance, featuring the most glamorous sports and classic autos in the Southland.

Howell said that more than \$1,000,000 worth of automobiles will be included in the show.

Crusaders Name Eight Opponents For New Season

A total of eight football games have been set for the Crusaders of the Pop Warner football conference this season with a possible post-season game such as the Las Vegas game of a year ago.

Crusaders will compete with teams from the Valley conference and also two teams from San Bernardino. The Valley conference will include Redwood, runnerup last year; Canoga Park, North Hollywood, Studio City, and a new team in North Redondo.

The team has 55 boys signed up so far and hopes to have many more before the actual tryouts get under way Sept. 7.

Coach Jim Fohey had this to say about the Crusader prospects:

"The eight lettermen of last season who will be eligible to try out for team again this year should be of great help to us. Boys like Tony Lizza, Dave Olson, Lindsay Hughes, Steve Fox, Jim Moore and Bryan Peterson did a great job in the line, but we have a lot of building to do in the back field as our only returning players there are Tim Roettger and "Moose" Pritchard. Coach Robinson has a big job cut out for him with the backs, and we are counting on some sharp new comers headed by John McCann of Torrance. If these new boys come through we will be okay. We'll know for sure Oct. 6th."

New Leagues Scheduled For Bowlers

Reservations are now being taken for Ladies' Leagues at the Torrance Bowl-O-Drome, Western Ave. and 220th St.

Starting Sept. 23, foursomes, trios and fives will get under way with beginner's classes every day at 9 a.m. The other leagues start at 1 p.m.

Free instruction as well as supervised nursery care, and supervised playgrounds are offered.

In other league news, the Purple Passions continue to hold a slight edge in the Cal-Metal Mixed Four. W. Schlatter rolled a corking 695 series total while V. Capolungo took honors for the women with a 595. Men's high game went to D. Farris with his 248.

In the Palos Verdes Golf Club, two men rolled identical scores recently to tie for top series. E. Krig and C. Vogt both recorded 628. High men's game went to H. Croft for his 233.

J. Coast, on the lanes for the ladies Wednesday Handicap stands at the head of the league with a 578 series.

Legion Juniors Outlast Strong Pomona Nine

Torrance Post 170, American Legion, outplayed and outlasted a highly touted Pomona nine to take the first game 2-1 in the annual Anaheim Tournament.

Ron Veres pitched excellent ball for the locals in five innings and then Bill Baldwin came in and held the Pomona team to two scattered blows over the last three innings.

Tobby Venable made two fine catches, the last one to end the game. Second baseman Steve Mearing got two hits in four times at bat to lead the team in hitting.

Ken Simpson, star shortstop, drove in the winning run in the eighth and final inning.

Local residents were on hand to cheer the Torrance team on the victory, according to Coach Del Nuzum.

Nuzum has not announced the second game of the Legion-sponsored tournament.

Skit Names King, Queen

In keeping with the spirit of the Torrance Recreation Department's weekly theme, "Davy's Locker," youngsters at Howard Wood Playground this week selected a "Miss Davy Jones" and "King Neptune" of Howard Wood.

Winner in a field of more than 60 entrants was Patricia Yaklovich, 2266 W. 237th St. Patricia, 9, was entered as "Miss Atlantic Ocean." Other

contestants, 68 in all, claimed such preliminary titles as "Miss Kelp," "Miss Secret of the Deep," "Miss Starfish," and "Miss Sandy Bottom."

Steven Harris, 9, of 2235 237th St., was crowned "King Neptune" of Howard Wood Playground." His Majesty's royal robes included wisps of sea weed as well as the traditional beard and trident.
